

December 2018 start

New Phonics Program

Learn the **44 sounds** in the English language, the skills needed to **read and write** confidently and develop well-formed **handwriting**.

Age 5-7 (English speakers and early English speakers)

- Two one-hour classes per week
- Wednesdays & Fridays
- 5.00pm-6.00pm
- Global Kids Place

Typically, in a British school, children start to learn phonics from age four. Studying approximately 30 minutes per day, they complete the majority of learning in this area within two years.
